Dear Parents / Caregivers,

Re: Baby Photographs

During this term, in PDHPE, kindergarten students will be learning about how people grow and change. In this unit of work, we will be looking at how the children themselves have changed during their life.

As part of these lessons, can you please send in a photograph of your child as a baby? It would be greatly appreciated if all children could bring in a photo, but if this is not possible, it will not be a problem. Please write your child’s name on the back of the photo.

We will be displaying them in the classroom and using the photographs as part of our learning and class discussions. The photographs will be sent home at the end of Term 1.

It would be greatly appreciated if these photographs could be at school before Wednesday 29th February 2012. Mrs Evans and I will both be collecting them and displaying them as soon as they come in.

Thank you in advance for your co-operation.
