WOLLONGONG SCIENCE CENTRE and PLANETARIUM

Dear Parents/Carers,

On Thursday 3 December 2015, 2/3H and 1/2C will be visiting the Wollongong Science Centre and Planetarium.

The students will have the opportunity to see a live science show, go in the planetarium and see a show and interact with hands on exhibits, displays and science experiments.

Please visit http://www.uow.edu.au/science_centre if you wish to find out more about the exciting things the students can learn about whilst at the museum.

The cost of the excursion will be $10 per student due to the very generous donation from our great P&C to cover the bus fee. Money is due in by Tuesday 17 November 2015.

Students will need to bring their own lunch and recess in a backpack clearly marked with their name. They need to be in full school uniform.

The students must be at school by 8:45am as the bus will be departing at 9:00am. Students will arrive back at school at approx. 2.50pm.

Please Note: School representation and attendance at excursions, special school activities and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.
