Dear Parents/Guardians,

EnviroMentors Program – Keep NSW Beautiful Program
Thursday 26 March 2015

Kentlyn Public School has been lucky enough to be offered a special visit from the Keep NSW Beautiful Program. This visit has been offered to us FREE of CHARGE and is a wonderful opportunity for some of our students to experience the EnviroMentors program topic, “Lunches Unwrapped.”

During this incursion students will be able to discuss, learn about and experience the healthy lifestyles topic with a qualified and experienced educator from the “Keep NSW Beautiful” campaign, which is proudly supported by Campbelltown City Council.

Our incursion will be on Thursday 26 March commencing at 9.10 am for classes KG, 1R, 1/2C and 2/3 H.

The visit may involve a visit by the local media. It is a low key event and usually involves just the local newspaper attending to take some photographs. Please indicate below if you do not wish your child to be photographed.

Please let your classroom teacher know if you have any concerns about this incursion.

Thank you for your support and assistance.

Please Note: School representation and attendance at excursions and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.
