Dear Parents and Caregivers,

In leading a highly effective school, here at Kentlyn Public School, we believe a quality planning process helps to drive and direct the main strategic business of the school. It is essential to achieving substantial, sustainable growth and improved learning performance. It is both capacity-building and future focused so as to deliver an impact which is transformative.

We acknowledge the importance of working with students, staff, parents and community members in building the shared understanding, knowledge and skills required to achieve the educational practices necessary to bring about sustained growth. We are currently busily gathering data and collating information to inform and develop our 2015-2017 whole school plan.

Here at Kentlyn Public School, we value the input, thoughts and suggestions of our staff, students and wider school community to ensure the plan we produce for our school, is one that is all encompassing.

To ensure we develop a plan that is based upon the thoughts, feelings and ideas of all stakeholders in our school, we would like to personally invite you to come along to one of our parent & community forums. We will be running two sessions from which you can select which one you would like to attend.

**Breakfast Forum – Thursday 30 October at 8:00am**

**or**

**BBQ Dinner Forum – Thursday 30 October at 5:30pm**

During these forum sessions, you will not only be provided with a breakfast or BBQ dinner, but you will be able to contribute in the establishment of a shared vision and the aspirations for the future of Kentlyn Public School.

I am sure you will agree with me, when I state what a wonderful and valuable opportunity it is for you to have a say in the future of Kentlyn Public School.

**Please indicate the forum session you are able to attend and return the slip below to Mrs Neal by Thursday 23 October.**

If you have any further enquiries or questions regarding the forum sessions, please do not hesitate to contact Ms Neal on 46282455. Looking forward to sharing this wonderful opportunity with you.
